Players are in groups of 3 with one ball. Cones are set down to mark out a goal. One player starts out in middle between cones. The other players each take a place on an end, so there are 3 players in a row. Middle player starts off with ball and passes to an end player. End player takes a preparation touch and then strikes the ball by the middle player to the player on the other end. The player that strikes the ball then goes to the middle and the middle player goes to an end. Repeat. Different variations to use!
